

# ADVENTURESS

Name: **Adventuress**  
Length: 133 feet  
Year Built: 1913  
Type of Vessel: Gaff Topsail Schooner  
Home Port: Port Townsend, Wash.  
Captain: Korie Mielke and Mary Beth Armstrong-Sigmond  
Website: [www.soundexp.org](http://www.soundexp.org)

Biography: Adventuress is owned by Sound Experience, a Puget Sound-based nonprofit organization that delivers unique hands-on environmental education, youth development and leadership experiences.

Point of Interest: Adventuress was designed by B.B. Crowninshield for John Borden of Chicago, the founder of the Yellow Cab Company, to sail to the Arctic and collect a bow-head whale specimen for the American Museum of National History. The expedition was unsuccessful.
