

HMS BOUNTY

Name: **HMS Bounty**
Length: 180 feet
Year Built: 1960
Type of Vessel: Full-Rigged Ship
Home Port: Greenport, NY
Captain: Robin Walbridge
Website: www.tallshipbounty.org

Biography: Today's HMS Bounty was built as an ocean-faring vessel in 1960 for the movie "Mutiny on the Bounty," the famous story about the British crew that overthrew Captain Bligh while in the Pacific. Bounty has also starred in "Sponge Bob Square Pants" and "Pirates of the Caribbean II."

Point of Interest: The helm on Bounty is the original helm from the 1935 Clark Gable version of "Mutiny on the Bounty." It has been touched by more movie stars than you can imagine and is the most famous part of the ship today.
